To the Board of Directors of

Chevy Chase, MD

We have audited the accompanying statements of financial position of Aid for Africa (a non profit organization) as of March 31, 2008 and 2007 and the related statements of activities, cash flows and expenses by functional areas for the years then ended. These financial statements are the responsibility of the management of Aid for Africa. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Aid for Africa (a non profit organization) as of March 31, 2008 and 2007, the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States.

AID FOR AFRICA

NOTES TO FINANCIAL STATEMENTS MARCH 31, 2008 and 2007

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Organization - Aid for Africa is a non-profit organization, incorporated in Maryland in 2003. Previously the organization was known as Aid to Africa Federation, Inc. however its name was changed in January 2007. Aid for Africa acts as a consortium of non-profit organizations that provide assistance to people who live in Africa. This assistance to Africa is encompassed in the organization's programs which include providing informal education programs to members of the public about the problems of Africa, providing a forum for the members to collaborate and exchange information and the soliciting of funds in support of its members' programs. Aid for Africa is exempt from federal income tax as an organization described in Section 501(c)(3) of the Internal Revenue Code.

b. Basis of accounting - The accompanying financial statements are presented on the accrual basis of accounting. Aid for Africa reports its financial position and activities according to the three classes of net assets for unrestricted, temporarily restricted and permanently restricted, based on the existence or absence of donor imposed restrictions. There are no permanently restricted net assets.

c. Revenue recognition - Contributions are recognized as revenue when received unless the donor designates the gift for a specific period. Monies collected for the benefit of members are reflected on the accompanying financial statements as temporarily restricted revenue.

d. Cash and cash equivalents - Aid for Africa considers instruments with maturities of three months or less to be cash equivalents.

e. Management estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 2 - TEMPORARILY RESTRICTED NET ASSETS

Aid for Africa is the focal point of a consortium of other non-profit organizations which have been organized with similar goals in support of the people of Africa. An organization can become a member of the consortium upon meeting certain membership criteria. In general, each member of the consortium must have been previously designated by the IRS as a not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code, it must have provided direct services in Africa, it must have prepared IRS Form 990, it must have had an accrual basis audit, it must have an active and responsible governing body and it must have prepared an annual report. Aid for Africa collects contributions on behalf of its members. These donations are generally from campaign type organizations, such as the Combined Federal Campaign. A separate accounting of each member's contributions is maintained and funds are periodically forwarded to the members. Aid for Africa assesses a fee equal to 6% of the amount received to help defray the cost of administering the program. During the years ended March 31, 2008 and 2007 the total receipts and disbursements were as follows:

	<u>2008</u>	<u>2007</u>
