ARLINGTON ACADEMY OF HOPE, INC.
NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

1. ORGANIZATION

Arlington Academy of Hope, Inc. (AAH or the Organization) was incorporated under the laws of Virginia on December 28, 2004 and commenced operating as an independent not for profit organization on January 1, 2005. Prior to this date, AAH was an operating program of a church. AAH is a volunteer, non-profit organization based in the United States that helps children in rural Uganda reach their full potential. Through grants and subsidies to an affiliate NGO located in Uganda, AAH funds the creation of model schools and clinics, we provide education and healthcare programs, local development opportunities, and community outreach to improve the quality of life and transform poor villages into self-sustaining communities. AAH does this by engaging a caring community of volunteers, child sponsors, donors, partners and friends in the United States, Uganda and throughout the world.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of AAH have been prepared on the accrual basis of accounting, in accordance with the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, Not-for-Profit Entities.

Basis of presentation

The accompanying financial statements are presented in accordance with Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 958 accounting for contributions received and contributions made financial statements of not-for-profit organizations. Contributions are recognized as revenue when they are received or unconditionally pledged. FASB ASC Topic 958 eliminates the utilization of fund accounting for financial reporting purposes requires that net assets be classified as (1) unrestricted; (2) temporarily restricted; or (3) permanently restricted depending on limitations placed on the net assets by donors. Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or the passage of time.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

2. SIGNIFICANT ACCOUNTING POLICIES (continued)

Basis of presentation (continued)

Permanently restricted net assets - net assets subjected to donor-imposed stipulations that these funds be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes. As of December 31, 2015 and 2014, AAH has no permanently restricted net assets.

Property and equipment

Property and equipment are recorded at cost and depreciated over the estimated useful lives of the asset, between 3-5 years using the straight-line method. Depreciation expense for the year ended December 31, 2015 and 2014 is \$3,245 and \$1,623, respectively.

Cash and cash equivalents

AAH invests cash in excess of its immediate requirements in certificates of deposit and money market funds. Because of their short-term and high liquidity, these investments are considered to be cash equivalents.

Income taxes

AAH is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) whereby only unrelated business income, as defined by Section 512(a)(1) of the Code, is subject to Federal income tax. As of December 31, 2015 and 2014, AAH has no unrelated business income subject to Federal tax.

Functional expenses

The costs of providing the various programs and other operating activities have been summarized on a functional basis in the statement of functional expenditures. Accordingly, certain indirect costs have been allocated amongst the programs and supporting services based upon management's best estimate of the benefit derived from these expenses.

NOTES TO FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2015 AND 2014

2. *SIGNIFICANT ACCOUNTING POLICIES (continued)*

Volunteers and In-kind contributions

In accordance with FASB ASC Topic 958, in-kind contributions, if any, are recorded at their estimated fair market value on the date the unconditional promise to give the asset is made and transfer of the asset is assured. For the years ended December 31, 2015 and 2014, volunteer hours and in-kind contributions were not included in the Statement of Activity since the value of these contributions could not be objectively measured.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the financial statement date and the reported amounts of revenues and expenses during the years then ended. Actual results could differ from those estimates.

Revenue Recognition

Revenue and support are recognized by the Organization when the unconditional promise to give by a donor is assured. Certain grants and awards stipulate that the grantor will reimburse expenditures incurred by the Organization on their behalf once the Organization submits these expenditures for approval. The grantor retains discretionary rights on all expenditures incurred on their behalf. Expenditures funded by unrestricted net assets prior to the receipt of the unconditional promise to pay from the donor are recorded as a reduction to unrestricted net assets.

Uncertain tax positions

In accordance with the disclosure provisions of FASB ASC Sub-Topic 740-19 "Accounting for Uncertainty in Income Taxes" as of and for the year ended December 31, 2015 and 2014, AAH has no uncertain tax positions requiring disclosure or accrual occurred for the year ended December 31, 2015. The open tax years are December 31, 2013, 2014, and 2015.

2. *SIGNIFICANT ACCOUNTING POLICIES (continued)*

Investments

In accordance with FASB ASC Sub-Topic 958-320 relating to the accounting for certain investments held by non-profit organizations, investments are carried at estimated fair value based on quoted market prices. Investments received through gifts are recorded at estimated fair market value at the date of donation. Investment income or losses (including realized gains and losses on investments, interest and dividends) are reported when earned and included as operating activities in the Statement of Activity. Unrealized gains and losses, if any, are classified as other (income) losses in the Statement of Activities. In the absence of any donor-imposed or legal restrictions on how investment income may be used, gains are reported as an increase in unrestricted net assets. A loss, realized or unrealized, is recorded as a decrease in unrestricted net assets. If restrictions do exist on the use of an investment, the gain or loss is shown as an increase or decrease in either temporarily or permanently restricted net assets, depending on the type of restriction existing. Investment income (i.e., interest and dividends) earned during the year is reported as an increase in unrestricted net assets, unless the income's use is restricted; in that case, temporarily or permanently restricted net assets are increased depending upon the restriction.

Investments are stated at market value and consist of money market funds which are considered cash equivalents for the purpose of the Statement of Cash Flows. All are considered Level 1 investments. For the years ended December 31, 2015 and 2014 realized gains (losses) on securities totaled (\$39) and \$3,123.

3. *RELEASED FROM RESTRICTIONS*

For the years ended December 31, 2015 and 2014, \$17,640 and \$1,900, respectively, of temporarily restricted net assets were released from program restrictions. These expenditures are included in grants and pass-throughs on the statement of functional expenses and were properly used for various programs such as school related construction and the solar project.

4. *TEMPORARILY RESTRICTED NET ASSETS*

As of December 31, 2015 and 2014, AAH has temporarily restricted assets relating to its Uganda programs totaling \$36,049 and \$24,773, respectively.
